Achievements

- Voted "Best Overall" by peers in Texas State Technical College's *2025 Halloween Sticker Design Challenge*; design went on to be produced and utilized in collateral at recruiting events.

- Executed complex, unique makeup with airbrush under extremely fast-paced conditions (7-8 minutes per actor, with ~9 actors per day) to Creative Directors' satisfaction. Invited to return through a change in ownership.

- Instrumental in increasing the number of Beall's Loyalty Rewards Card sign-ups at location, and increased customer satisfaction through creative merchandising with managerial approval.

- Created unique fine art and design works for multiple clients in a pseudo-professional context, to extremely positive lasting impressions.
